 - D. Health Issues – Deirdre Lefty
 - E. City of Lincoln – Councilmember Gabriel Hydrick
 - F. Placer County – Brittany Weygandt/Lyndell Grey
8. **Information/Non-Action Items:**
 - A. **mPOWER for Placer County**

Are you a home owner in need of financing for energy efficiency projects or solar photovoltaic? mPOWER is a regional program that makes it simple and easy for property owners to save money while making their homes more energy efficient. Homeowners can install energy and water efficiency upgrades, as well as solar, and repay the cost over time on their property tax bill. The mPOWER program is available to qualified property owners, with no upfront costs. **Ben Carnahan, a Program Specialist with mPOWER, will present.** For more information contact <http://www.mpowerplacer.org>

B. Mark Fowler Community Scholarship Program

The Rural Lincoln Community is working toward establishing permanent funding for this Scholarship by hosting a public event on Saturday, February 21st, at the Mt. Pleasant Hall to kick off a volunteer fundraising program. The public, including WPUSD High School and Middle Schools, will be invited to solicit sponsors to give financial support for hours of community service. These funds will be handled by the Lincoln Community Foundation and awarded annually to a selected Lincoln High School student who meets the community scholarship criteria. Area non-profits will be contacted to make available volunteer projects to adults and children who wish to participate. **George Alves, Rural Lincoln MAC Chair will present.**

9. Action Item:

A. Removal of 7 Ton Weight Restrictions on S. Brewer Road and Nelson Lane

The Department of Public Works is seeking input from the MAC on removing the 7 ton weight restrictions from both S. Brewer Road and Nelson Lane both North and South of the Highway 65 Bypass. The reason for the removal of the restrictions is based upon old bridges being replaced on both roadways and also improvements to the Nelson Lane roadway. With new bridges installed and new roadway improvements, these roads are better able to accommodate heavy vehicles/trucks and therefore the restrictions are considered unnecessary. **Richard Moorehead, Engineering Manager for Department of Public Works. For more information RMoorehe@placer.ca.gov**
